

COURSE SYLLABUS: SACRED LIVING INTERFAITH MINISTERIAL STUDIES

Laws And Principles Of The Universe

Explores the Laws that govern The Universe and were formed the instant of its inception. These are the absolute Truths that maintain Order and Balance in the cosmos.

The Soul And Its Attributes

A new understanding of the workings of the Soul on its Journey of Evolution. Learn what attributes are needed to complete this Earthly experience.

Sacred Contracts and Archetypes

Learn about Spiritual Contracts entered into with other souls before incarnation, to serve ones highest good, for lessons needed or karmic resolution. Teaches what archetypes get unconsciously played out and how to correct these energetics for life enhancement.

Emotional Sources of Dis-Ease

Studies how the emotional, mental, physical and spiritual bodies are interconnected. Illustrates how the physical body is the barometer for the imbalances held within.

Forgiveness

Uses the basic tenets of Sacred Contracts, Archetypes and Soul Attributes to aid in the release and healing of feelings of Unforgiveness. Teaches who is hurt by holding on to those emotions and why.

Beliefs and Core Issues

Examines how to discover and identify the manner in which beliefs and patterns play themselves out, unconsciously and repeatedly, until they are recognized and changed.

Ego

Covers how the mind creates the construct of The Ego and how a reality can be created based on untruths. Shows how to change one's thought process to provide positive Life Changes.

Divine Consciousness

Teaches about Co-Creation and how to best use one's innate power. Illustrates how to make choices using Free Will and how to create an incredibly Harmonious Life.
